## Celebrating 50 Years of Trading Excellence

Call RGV Engineering Limited on 01980 670667

David and Mark purchased Bennett & Dean from the previous owner on his retirement in 2009 but leave it running as a totally independent company with its own clientele. With both companies David and Mark employ a combined workforce of nearly 70 within the Salisbury area. Both David & Mark are really proud and appreciative of all of the skilled and loyal staff they employ. All whom have been fully committed to the business and worked tirelessly to achieve excellent customer service relationships and work together as a happy family team to ensure quality jobs and extremely satisfied customers year after year! As well as RGV celebrating their 50th RGV has several members of staff also celebrating their 50th Birthday. Happy Birthday to you all from RGV!
